# EARLY READING CHAPTER BOOK

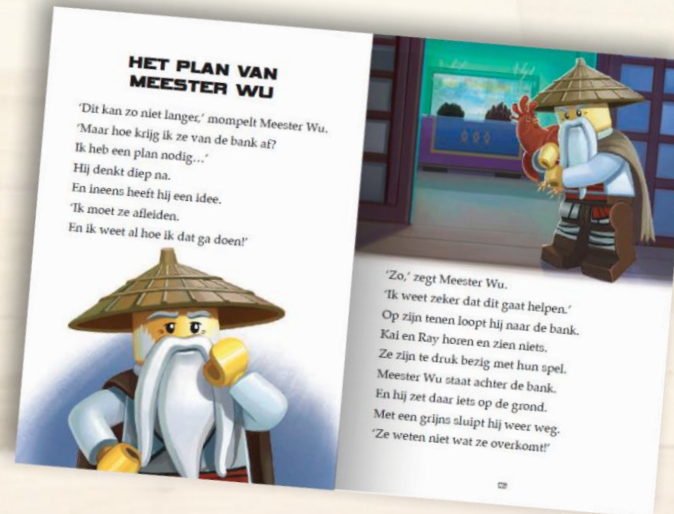

LWR-6706S1

Author: Steve Behling

'Oké, oké,' zegt Ray dan.  
'We komen als dit level klaar is.'  
Dus Meester Wu wacht.  
Maar het duurt meer dan een uur.  
Dat level gaat maar door!  
Meester Wu loopt vast naar buiten.  
Daar wacht hij weer. En nog wat langer.  
De dag wordt langzaam nacht.  
Hoelang duurt dit nog?  
Meester Wu gaat de kamer weer in.  
'Zijn jullie bijna klaar met dat level?'  
'Al lang!' antwoordt Kai.  
'We zijn nu bij een nieuw level.'  
Meester Wu slaakt een diepe zucht.

**HET PLAN VAN MEESTER WU**

'Dit kan zo niet langer,' mompelt Meester Wu.  
'Maar hoe krijg ik ze van de bank af?  
Ik heb een plan nodig...'  
Hij denkt diep na.  
En ineens heeft hij een idee.  
'Ik moet ze afleiden.  
En ik weet al hoe ik dat ga doen!'

'Zo,' zegt Meester Wu.  
'Ik weet zeker dat dit gaat helpen.'  
Op zijn tenen loopt hij naar de bank.  
Kai en Ray horen en zien niets.  
Ze zijn te druk bezig met hun spel.  
Meester Wu staat achter de bank.  
En hij zet daar iets op de grond.  
Met een grijns slaapt hij weer weg.  
'Ze weten niet wat ze overkomt!'

## SHORT CHAPTER STORIES

Flexible art pool allows customization to suit local reading schemes or leveled reader programs. The book includes an illustrated glossary with information about main characters, a short quiz, and a reading certificate. Each story is approximately 1,200 words long. Available modification: replacing character names with character images.

Available brands:

- LEGO® NINJAGO®

EARLY READING CHAPTER BOOK

## GALACTIC STORIES

Book with outstanding galactic stories about some of the best-known characters from the classic *Star Wars*™ saga. Each story focuses on funny encounters and unusual adventures of a different hero, from Master Yoda to Darth Vader. The book offers a fun and age-appropriate way of practicing reading skills.

- 128 pages
- Theme: classic saga

With the cleaning done, the droid put Leia to work in the kitchen.

"Prepare the bantha steaks and I'll put them through the masher," it ordered. "Everything we serve must look like grey sludge."

"What? Why?" asked Leia, screwing up her nose in disgust.

"That is how my predecessor did it," droned the canteen droid. "And their predecessor before them."

"But you're so rushed as it is..." said Leia diplomatically. "How about we save you time and skip that mashing step from now on?"

"Well ... I am busy ..." said the droid.

Word soon spread around the *Devastator* that the canteen was serving proper food and the stormtroopers came in droves.

When Vader returned, accompanied by Grand Moff Tarkin, the canteen was so jam-packed there weren't enough chairs to seat everybody!

22

"I'll enjoy seeing the princess humiliated," grinned Tarkin, as he and Vader headed to the canteen.

"It will be a pleasure to see her in tears -" Vader stopped as they reached the doorway. "WHAAAAAAT?"

## SPECIFICATIONS:

- 140 × 200 mm
- Hard cover with embossing
